Members, Alternates,
and Observers,
California Traffic Control
Devices Committee:

The California Traffic Control Devices Committee will meet in San Jose, on Wednesday, February 16, 1994. The meeting will begin at 9:00 a. m., in the Santa Clara Room, on the second floor, of the Hilton Hotel, at the San Jose Convention Center. I am attaching a general map of the area and a list of convenient hotels. There is also an Embassy Suites Hotel in Santa Clara on Lakeside Drive.

This meeting has been scheduled to coincide with the American Traffic Safety Services Association Annual Convention and Trade Show held from February 13-15. Attached is a schedule of events, and a free admission form for public officials. Should time permit after the CTCDC meeting, Mr. Wayne Tanda is offering interested parties a tour of the City of San Jose's Traffic Management Center.

Enclosed is the agenda for the meeting. As always, all interested persons are encouraged to attend.

Sincerely,

Jack M. Kletzman,
Executive Secretary, CTCDC
